- *Solvent content: VOC (EC) 0.0%*
- *Tar remover*
- *Grease remover*
- *Scale remover*
- *No ecotoxicity: no adverse effect on the environment*

DOSAGE AND USE INSTRUCTIONS

Product ready to use

Spray directly onto the stain, leave to act, then rub the fabric against itself until the stain has gone. Repeat the operation if necessary.

Machine wash the fabric at 30°C.

To remove ointment stains, it is recommended to clean the stain with a "washing up liquid" type soap after treatment with TextiOne 28.

SOMES OLD OR PREVIOUSLY WASHED STAINS MAY REMAIN ON THE FABRIC.

PACKAGING:

- 110m L spray
- 250ml spray
- 5L refill can

USE PRECAUTIONS:

Product not considered hazardous within the meaning of current regulations.

For further information, please refer to the safety data sheet.
